47th Great Manchester to Blackpool Car Run Sunday June 14th 2009

Welcome to the Great Manchester to Blackpool Car Run. The event is designed as a fun day out for all ages, and no previous experience of any type of car event or navigation is needed. The attached regulations tell you all you need to know about the event and its organisation. It is set out in different sections for ease of understanding.

Essentially the event is open to all cars manufactured before 31st December 1981, although the organisers may allow 'interesting' cars manufactured after that date to take part.

There is a road section with simple navigation to get you from Manchester to Blackpool and you have a choice between a shorter more direct route and a longer scenic route. The direct route can be completed by maintaining an average speed of 24mph and longer scenic route at 28mph, although early leavers can still arrive in time at lower speeds if they wish.

All routes avoid built up areas as far as possible and traverse the moors over Belmont with scenic views of Manchester and Lancashire before taking in the Ribble valley and the Fylde. Additionally the scenic route takes in the Anglezarke and Rivington areas. A rest halt has been incorporated at Moorcock at Waddington where entrants may purchase refreshments.

There are controls to confirm you have followed the correct route and their location and opening times will be clearly shown in the route instructions.

In addition there is a 'Concours' element to the event, where cars will be judged on their, originality, condition and presentation.

The event finishes at the new Sandcastle Headland and Sandcastle Waterpark in Blackpool. There will be time to enjoy the Sandcastles extensive facilities so bring along swimming costumes etc if you wish

Each entrant will receive:

Monte Carlo style rally plate

Fully detailed Route Book

Finishers Award (subject to Regulations)

Free entry to the Sandcastle Waterpark for all car occupants.

All this for an entry fee of only £25.00

This is an event you, and your passengers, can enjoy on several levels so come along and have a fun day. If you have any questions please do not hesitate to contact me or any of my Officials who will be only too pleased to help you.
